Request for Corrected Filing Receipt

OIPE - Filing Receipt Correction
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Official Filing Receipt (OFR) issued on December 3, 2003 (copy enclosed) reports the inventors of this divisional application as Jacobus Lemmens and Frans van Dalen. But the inventors of the instant application are Dennie van den Heuvel and Johannes Platteeuw as per the Statement under 37 C.F.R. 1.63(d), which accompanied the application filing, to delete two of the original four inventors (copy enclosed). Thus, the USPTO has deleted the wrong two inventors in this divisional application; i.e. the two inventors that should have been deleted were maintained and the two inventors that should have been maintained were deleted. Correction is requested.

Also the title is incorrect. The word "released" should be "release." Correction of the title is also requested.

A "marked up" OFR indicating each of the above corrections is attached. Correction of the OFR and issuance of a new OFR are respectfully requested.

Should the Office of Initial Patent Examination need any additional information or have any questions regarding this matter, please do not hesitate to contact applicants' undersigned representative at 703 753 5256.

Respectfully submitted,
